

December 2009

Dear Staff, Parents and Community Members:

As Winter Recess draws near and 2009 gives way to 2010, we pause to acknowledge all of those who have contributed so significantly to the education of our students throughout the year.

We are confident that in 2010 we will continue to work and grow together as a community in our efforts to educate our children.

The Millbrae School District is an essential part our community, with its caring and hard working teachers and support staff, its dedicated and skilled classified employees and its outstanding administrators. All of these employees, in cooperation with our parents and greater community, provide the very best educational programs and services to ensure our students' success.

We are pleased to work with a City that shares our dedication to educating our students. We appreciate the City of Millbrae and various service groups that cooperate with us to ensure our schools are safe and our children benefit from numerous auxiliary programs and services.

On behalf of the Board of Trustees and me, we thank our employees for their dedication and hard work, and our parents and community members for their support and cooperation. Millbrae School Districts' reputation for educational excellence is the result of everyone's commitment to each and every child's success. Our children are the recipients of an excellent opportunity to become educated in this environment. They are our future and we owe them no less than success.

We sincerely hope you enjoy and find rewarding this Winter Recess with your family and friends.

To all of you, we are thankful and wish you a  
Happy New Year in 2010!

**The Board of Trustees and Superintendent**
