

Millbrae Education Foundation
Better Schools • Better Kids • Better Community
www.MillbraeEducationFoundation.org

Dear Millbrae Families and Friends,

As our children get ready for another busy and productive school year, we at the MEF are hard at work raising money for our district schools. For those of you who know us, we are delighted to report we raised \$175,000 last school year to fund four hours of instructional aide time at each elementary school, and one full-time counselor at Taylor Middle School. These wonderful, devoted people are working for our children **right now**, thanks to your support and generosity.

For those of you who aren't familiar with the MEF (Millbrae Education Foundation), we are a non-profit, volunteer fundraising organization dedicated to raising money to support the children of the Millbrae School District. ***The MEF's sole purpose as an education foundation is to raise money to fund teachers and staff.***

Current projections are as uncertain as our state and federal budgets. Over the last few years we've seen \$2 million in cuts in our small district – the effects of more cuts would be devastating without your support. But there is hope. The Millbrae Education Foundation is working with teachers, the superintendent and principals to raise the crucial monies needed to help counteract these detrimental effects on our children.

There are two important ways you can help us help your children. We are seeking both volunteers and donations to make this year's campaign successful.

First, support our fundraising efforts by making a donation. We are asking \$450 per child, though we are grateful for any amount you can afford. Donating is simple, flexible and tax deductible and can be done via our website (www.millbraeeducationfoundation.org) or by check payable to:

Millbrae Education Foundation
P. O. Box 580
Millbrae, CA 94030

Second, complete the attached contact & volunteer form to provide us with your contact information and indicate which areas you would be willing to help out and return it along with your child's school registration information. Know that whatever you do, whether a little or a lot, will positively affect all of our children.

With sincerest thanks,
The Millbrae Education Foundation
