Dear Parents and Guardians:

I want to take this opportunity to say "Welcome Back" to another exciting school year. This year we will be faced with difficult financial challenges, but as an educational community, we remain committed to providing a high quality education in a close-knit, caring environment. It may impact our daily schedule and lunch routine, but we are doing our best to keep cuts away from the classroom.

There will be some improvements to our campus when we return on the first day of school. Each of the classrooms and the office/library building received new carpet from funds that can only be used for facilities and capital improvement. In addition, we have a beautiful new garden outside Room 4 and Room 8 sponsored by the Green Hills PTA. This garden will be a work in progress and we look forward to the contributions that students will make in the fall and during Red Ribbon Week. Remember our beautiful red tulips planted as a pledge to be healthy? We are looking forward to their return in the spring.

The beginning of a new school year brings opportunities, excitement and challenges as students return ready to learn and eager to make new friends. I hope you will get involved in some capacity by joining the PTA, supporting the Millbrae Education Foundation, attending events, volunteering in the classroom, library, and lunchroom and/or school office. Please visit our website, <http://millbraeschooldistrict.org/greenhills/>, to learn about upcoming events and I look forward to seeing everyone's smiles on August 31, 2009.

Enjoy the remainder of your summer!

Sincerely,

Mrs. Ugrin
