Interdistrict Transfer Requests INTO the Millbrae School District

The process to request an Interdistrict Transfer Request to attend a school in Millbrae begins at your **home school district**. If the transfer request is approved by the resident school district, the application will be forwarded to the Millbrae School District. Approval of Interdistrict Transfer applications are based on space availability for the applicable school year. Families wishing to continue their child's education with Millbrae School District must reapply every year at the home school district. If additional information is needed, please contact your **home school district**.
