

9 November 2011

DECEMBER 6, 2011 PARENT/NEIGHBORHOOD MEETING

Our District has received special funding to administer Walk/Bike Audits for each of our schools to assist us in creating long-term, sustainable plans for our students going to and from school each day. These plans include walking or biking to school safely, fostering healthy choices for our students, and improving the environment by decreasing traffic congestion.

Our expert auditors and district representatives will be hosting a meeting on Tuesday, December 6, 2011 as an opportunity for you to voice your concerns and suggestions as we create these plans and school routes for our students.

The Parent/Neighborhood Meeting will be held at Taylor Middle School Auditorium at 8:30 a.m. and again at 6:30 p.m. so that you can make the meeting of your convenience.

We welcome and value your input, concerns and suggestions about the traffic congestion and student routes to school. Please come and share your thoughts and ideas with us!

Sincerely,

Linda C. Luna, Superintendent
