November 2011

Dear Parents and Guardians of the Millbrae School District,

Tuesday, November 8, 2011 is an important day for our district. Tuesday, November 8th is Election Day for Measure N! We encourage all parents to make sure you vote on Measure N, a \$30 million school bond which will provide the district funds to continue the upgrades and improvements at the schools in the district. Measure N will directly assist in renovating our classrooms and building a new cafeteria for our Taylor Middle School.

Polls will be open on Tuesday, from 7am to 8pm. Your polling location is printed on your sample ballot, or you can call the Registrar of Voters at 312-5222 and they can tell you where to vote. If you are a permanent absentee and you have not yet mailed your ballot, please drop your absentee ballot off at a polling place on Tuesday. If the ballot is not received by election day, your vote will not count. The post mark does not count.

The following schools will have polling places: Lomita Park, Meadows, Spring Valley and Taylor Schools. Make sure your vote is counted next Tuesday, November 8th!

Sincerely,

Linda C. Luna, Superintendent
