SUSAN PALMER
Director of Student Services

09 July 2010

Dear Parents/Guardians and Staff of Meadows School,

On June 28, 2010 the Board of Education approved the hiring and placement of the Principal of Meadows School. The Board of Education and I are pleased to announce Mr. Richard Mojarro as Principal of Meadows School.

Mr. Mojarro graduated with a Master's degree from Pepperdine University and received a Bachelor degree from California State University in Southern California. He also completed post-graduate studies at University of California in Irvine and Stanford University. He has worked as an educator for twenty-five years. Mr. Mojarro has served as an elementary, middle, and high school principal the past thirteen years. Other positions throughout his career include being a math teacher in high and middle school, an elementary grade teacher, a program specialist, and a director.

Mr. Mojarro holds high expectations for teaching and learning, professional development, and developing support networks with parents, community, business, and university partners to implement school priorities. His vocational background consists of extensive work in standards-based curriculum development, particularly in the areas of English Language Arts, Mathematics, and English Language Development.

Please join me in welcoming Mr. Richard Mojarro to Meadows School and the Millbrae community.

Sincerely,

Linda C. Luna
Superintendent
