

Do you own a local business? Are you interested in exposing your business to hundreds of members of our community? Become a sponsor of Taylor Middle School PTA's Annual Fundraiser:

"An Evening in the French Quarter"

Millbrae Community Center, 477 Lincoln Cir., Millbrae
February 25, 2012 from 6-10 pm

This is the only major fundraiser for Taylor Middle School's PTA during the 2011-2012 school year. This event attracts hundreds of participants and promises to be a fun filled evening of laughter, dancing, New Orleans themed cuisine catered by 16 Mile House, river boat style entertainment, and other fundraising activities.

French Quarter Event Sponsorship:

As a Event Sponsor, your business name and information will be placed at various places at the event and mentioned consistently throughout the evening. Your business will have direct exposure to the members of the community attending the event who will be grateful for your sponsorship and support. This is the best means for making your business shine and "take center stage" during this night's events. You will be able to place business cards and a brief piece of marketing material at the event. Your sponsorship will be listed on our sponsor board, website, and event brochures. Your support is not only tax deductible, it is crucial for the continued success of our students, our school, and our community! Thank you for your continued support.
