OFFICE PROCEDURE

To assist students in building independence we would prefer not to be burdened with the task of delivering/sending pass reminders for the following items: money, lunch, homework, cellphones, and PE clothes to students. Students need to do their best to remember to bring all of their items to school everyday. A drop off location is provided in the office and a note will be delivered to students to pick up their items. Without prior notice, students will not be released early if it is within fifteen minutes of the final bell.

When students have questions, concerns, or need assistance, they should go to the Office Window before school, at recess/brunch, lunch, or after school; students should not go during instructional time. Students must have a pass from their teacher or a call to the office from their teacher.

EMERGENCY INFORMATION

If a student becomes ill or injured at school, the school will contact the appropriate person that is listed by the parent/guardian on the student emergency information form. Emergency phone numbers, email address, and home address need to be current and updated whenever changes are made. It is vital Taylor has a local contact on each student's information form in case of an accident, illness, or emergency. Please refer to the Millbrae Elementary School District (MESD) Parent/Student Handbook, accessed [here](#) for more information regarding emergency procedures.

ATTENDANCE

There is strong evidence of academic success when students are timely and prepared for instruction. We need all parties

involved (students, parents/guardians, teachers, staff, and administration) to do their part to ensure student success.

Attendance is required all day in order to attend after school activities including dances, concerts, plays, sporting events, or other school events and activities.

Attendance will be taken each period of every school day and students are expected to be in the classroom prior to the tardy bell ringing.

Please refer to the Millbrae Elementary School District (MESD) Parent/Student Handbook, accessed [here](#) for more information regarding attendance procedures.

TARDIES:

All students are expected to make arrangements to come to school on time in ways that ensure prompt arrival. Additional planning that takes into account poor weather or traffic issues are essential.

1. Students must be in the classroom before the tardy bell rings, for every period of the day.
2. Every teacher will monitor and mark when a student arrives tardy.
3. Any student who arrives between 8:35-8:50 AM must report directly to class.
4. Any student who arrives after 8:50 AM should report to the office first to receive a tardy pass.
5. Upon a student's 3rd or 6th tardy in one class, in a trimester, classroom teachers will contact home and an appropriate classroom consequence may be issued by the teacher.
6. If a student accumulates 9 tardies across all classes in one trimester, administration will hold a meeting with parents and the student. The student will be placed on an attendance improvement plan. Appropriate consequences may be administered and may also include, but not limited to campus beautification, lunch or after school detention.
7. If a student accumulates 18 or more tardies across all classes in the first trimester the student will be placed on the Loss of Privilege List for the trimester. This means that the student could be banned from extra-curricular activities including dances, rallies, field trips and other events.
 - a. If a student accumulates 15 or more tardies across all classes in the second trimester students may be placed on the Loss of Privilege List for Trimester 2
 - b. If a student accumulates 12 or more tardies across all classes in the third trimester students may be placed on the Loss of Privilege List for Trimester 3.
8. The following reasons are not valid reasons for excusing tardiness: "Getting up too late, missing the bus, or car problems. If a student is more than 30 minutes late to a class without proper documentation the tardy will be counted as a cut and consequences will be issued. Students with 2 or more cuts will be placed on the Loss of Privilege list for the remainder of the trimester.

According to the California Administrative Code, Title V., Sec. 353, students may be held a maximum of one hour after school. If the student does not attend detention, that student will be subject to more serious disciplinary consequences for defiance. Additional consequences will be assigned if students habitually skip their assigned detentions. It is the prerogative of the school administration to assign disciplinary consequences that are deemed appropriate.

ABSENCES-

It is important that you attend school every day. Whenever possible, please schedule medical or dental appointments after school hours.

State and federal laws mandate that the only absences considered *excused* are:

1. Personal illness
2. Medical appointments
3. Court appointments
4. Funeral of an immediate family member (3 days max)
5. Religious Instruction/exercise (4 days max per trimester)
6. Religious holiday or retreat

In these cases parents are responsible for calling the office (697-4096 Ext. 1) as soon as possible. Also, upon the student's return to school, they must bring a written note from the doctor indicating your name, date and reason for absence.

Students absent less than three days should contact classmates for missed homework and speak with the teacher upon return. All other reasons for absences not listed above, are considered unexcused. Excessive absences may result in disciplinary action, up to and including possible intervention from law enforcement to support attendance. Students who are absent 10% or more per trimester may be added to the Loss of Privilege list mentioned above.

Please refer to the Millbrae Elementary School District (MESD) Parent/Student Handbook, accessed [here](#) for more information regarding emergency procedures.

CALL or EMAIL IMMEDIATELY 650- 697-4096 Ext. 1; attendta@millbraesd.org Available 24 hours to report absences. Phone calls must be received by 10:30 AM. Regular attendance is necessary for success at school and is expected of all students. LOST & FOUND

Act Responsibly and Respect all people, things, and ideas are two of our values at Taylor. It is expected students will turn in items found immediately to the Lost & Found that can be located **in the B-hall**. If the item is of value (wallet, phone, jewelry, glasses, electronic devices, etc.) they should be turned into the Office. Students can check the Lost & Found or Office before school, after school, or with staff permission. Students are not to bring large sums of money or other valuable items to school. **Taylor is not responsible for any money or personal belongings that are stolen or left unattended anywhere on campus.** At the end of each trimester any unclaimed items will be given to a charitable organization.

TECHNOLOGY AND INTERNET USAGE::

District technology includes computers, district network, the internet, email, USB drives, tablet computers, etc. All students receiving a Chromebook must sign a separate user agreement every school year. Click here to view the Millbrae User Agreement. Chromebook replacement cost is approximately \$280. Students are expected to follow the rules outlined in the acceptable use agreement below. **If a student damages his or her Chromebook, it must be fixed by the MESD technology department. See the Acceptance Use Agreement**

[Student Technology/Acceptable Use Agreement](#)

Technology use on campus must be by permission by Taylor staff and use of district technology only. It is imperative that the following rules be followed. The following expectations hold true for use of technology on or off campus.

1. Students are prohibited from accessing, posting, submitting, publishing, or displaying harmful or inappropriate matter that is threatening, obscene, disruptive, or sexually explicit, harassment or disparaging of others based on race/ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion, or political beliefs.
2. Students are prohibited from uploading, downloading, or creating computer viruses, installing unauthorized software and/or maliciously attempting to harm or destroy equipment or materials or manipulate the data of any other user, including so-called "hacking."
3. Students are prohibited from bullying, harassing, intimidating, threatening other students, staff, or other individuals ("cyberbullying")

7. No food or drinks are allowed near or around any school technology equipment.
8. Students are not to use the equipment without the supervision of a teacher/adult. All devices used on campus must be for learning related activities.

Failure to follow these rules will result in disciplinary action leading up to and including loss of Chromebook use and administrative assigned discipline.

CELL PHONES & ELECTRONIC DEVICES:

Cell phones and all other electronic devices must be turned off and placed in the student's pouch within backpacks from 8:35 am until the end of the school day (2:00 pm on Wednesdays and Thursdays; 3:00 pm on all other days).

Headphones or earbuds are not permitted for use on campus without specific direction from a teacher for academic instruction, and they are only for use with district technology.

Students are to use the office phone with permission from office staff to communicate with their parents/guardians. If a student needs to communicate to ask permission for a school related activity or to go home ill, office staff must speak directly to the parent/guardian. Permission to leave campus must be given directly to the office staff. Students may not use their cell phones to get this permission.

Students may use their Internet capable devices with the expressed permission and under the supervision of a staff person. Otherwise, these devices (cell phones, tablets, smart watches, et. al.) must be stowed away in backpacks, not visible or in use during school hours. Cellular calls, SMS, MMS, or other types of communications may not be made during the school day. Students who carry their cell phone in their pockets will be directed to turn off their cell phone and place it in their backpack until the last bell of the day.

Students are not permitted to receive food using any delivery methods including, but not limited to pizza delivery, dine and dash, Uber Eats, etc.

Electronic devices that are used during the school day without expressed consent and in the presence of a staff member may be confiscated by school personnel and held until a parent/guardian is consulted. Furthermore, use of an electronic device in violation of the rules may also result in disciplinary action as determined by the administrator/staff designee. Electronic devices brought to school by students will be done so at their own risk. The school will not be responsible or liable for the loss of or damage to an electronic device or for the unauthorized use of any such device regardless of whether the device is in the possession of a student or a school official upon confiscation.

SCHEDULES:

Student schedules will be viewable on ParentVue and StudentVue no later than one day before the start of the new school year. Paper schedules will be distributed in the front of school, by grade level and last name, beginning at 7:30 AM on the first day of school.

SCHEDULE CHANGES:

Taylor creates student schedules with careful consideration to each student's academic level and areas of interest. In order to provide consistency for parents, students, and teachers, schedule changes will be kept to a minimum. Before making a request, please review the information below to assure that you fully understand the schedule change policy.

If a schedule change is needed, a schedule change request form must be submitted on the Google Form. **No request may be made through personal meetings, phone calls, or emails.** Once the form is received by the Taylor administration, the student's records will be reviewed and a decision will be made regarding the request.

Reasons for changes:

2. Student is inappropriately placed based on grade level.
3. Student is inappropriately placed based on skill level.
4. Student has two classes at the same time.

Not a reason for a change:

1. Student wants to be with their friend(s)
2. Student wants to move the class to a different period
3. Student does not know anyone in that period.
4. Student does not get along with someone in that class
5. Student does not like the teacher

Two Week Rule for Electives:

Students who selected Leadership, KTLR, Spanish, Music or Drama are registered if they met the criteria stated within the application process. Students who did not meet the criteria are placed in their second choice, or third choice. If all choices are full, students are then placed on the Elective Wheel for that grade level. The Taylor schedule team does their best to place students in their top elective choice; however, space is limited in each elective. If a student or parent feels they were placed in the wrong elective based on their interest or skill, they have the first two weeks of the school year to request a change. Parents will complete a schedule change form and submit it. Once the form is received by the Taylor administration, the student's records will be reviewed and a decision will be made regarding the request.

SAFETY DRILLS:

Safety drills for fires, earthquakes, and campus security are practiced periodically, to help ensure a safe and orderly evacuation in case of an emergency. Teachers will review procedures and evacuation throughout the year. Students are expected to take drills seriously and follow all adult instructions.

The criteria for participating in school wide activities such as dances, movie nights and other activities are shared with the student body beforehand. A student who is rostered on the Loss of Privilege List will have the opportunity to earn the privileges through an increased effort in academics, behavior, and participation.

Parents are expected to pick up their children promptly (no later than 15 minutes after the event ends). Students who are late to the activity will NOT be allowed to enter without prior administrative approval. If a student is **absent from school** for any reason during the school day, he/she **is not allowed to participate** in the activity any time during that day or evening.

PROMOTION ACTIVITIES:

BULLDOG CODE OF CONDUCT

Taylor Middle School is committed to providing a quality education that promotes respect, responsibility and safety. We are committed to the development of the whole child to prepare our students to be responsible, contributing citizens in a global society.

It is important for our school to partner with parents to teach our students behavioral traits will allow students to progress and mature into responsible young adults who understand importance and impact of choices. Equally important is learning from one's mistakes, therefore we will be using restorative practices in addition to the possible consequences listed in the chart below.

that
the

Our school and district will use Positive Behavioral Interventions and Supports, or PBIS, as our framework for behavior. This framework will be the foundation for our behavioral expectations. Research shows that implementing a PBIS framework for academic and personal behaviors will decrease the necessity for behavior referrals. In the event a student is not responding to these interventions and supports and the behavior continues, our progressive behavior system requires that behavior be addressed with appropriate consequences. The Principal/Designee retains the right to make the final decision regarding any disciplinary action.

In accordance with state law and educational code, the below guidelines are enforced at school, on the way to and from school and at school sponsored events. Our jurisdiction could also include issues and events that take place off school grounds but impact the access to education of our students. The district has a partnership with local law enforcement agencies. Behavior issues that could potentially constitute a crime will be investigated accordingly and may involve law enforcement intervention prior to which parents may not be contacted.
