2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Spring Valley School is a dynamic, growing elementary school dedicated to ensuring the academic success of every student and providing a safe and comprehensive educational experience. The school has an energetic staff who pride themselves on the success of their students. The Spring Valley family concept is incorporated into the daily routine of the staff and has become part of the school's culture. The result is a warm and friendly atmosphere where parents and staff work together for the benefit of the Spring Valley School students. Our PTA has grown into one of the most involved and productive associations in our area. During the school year, they work hard to provide field trips, an evening event, fall welcome and other events. Spring Valley School's mission is to prepare students for leadership and responsible, productive participation in a changing world. This is accomplished by working in partnership with families and the community to help students become problem solvers and critical thinkers. We work together to promote the students' intellectual, physical, emotional, social, ethical, and cultural development and have implemented a Positive Behavior Intervention & Support (PBIS) model that includes character education by focusing on specific character traits throughout the year. We continue to refine our implementation of the California Common Core State Standards and are currently focusing on reading as a way to build our students' capacity to express their development as robust thinkers. With an eye on developing the Next Generation Science Standards, all grade levels participate in related field trips or receive supplemental resources that reinforce science concepts.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	1.00
Local Assignment Options	0.00	0.20
Total Out-of-Field Teachers	0.00	1.10

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	7.1
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	6.2

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

School Facility Conditions and Planned Improvements

Spring Valley School's facilities are in good shape and are constantly monitored for maintenance purposes. Our portable was newly constructed where our childcare is housed as a result of the passage of the Measure X bond. New structures were built in front of the school office, between the second and third corridor; this includes a playground area as well as new roofing. New walkways and railings were constructed to make the school compliant per the American Disabilities Act. Restrooms were remodeled and work beneath our building's infrastructure was completed. We have a sizable playground for our children to play on. We have our district facilities, daily custodian and one half-time night custodian who keep our facilities clean. Classrooms are cleaned every other day and restrooms are cleaned daily. District maintenance and grounds responds work orders as needed. A teacher-driven vegetable garden project continues this year. The teachers have created several raised beds with an irrigation system and composting area for students and staff.

Recent facility improvements include a new outdoor play structure and upgraded plumbing. We are in the middle of replacing all the classroom projectors with new LCD monitors with three completed to date and the rest will be replaced before the beginning of the 2022-2023 school year. A new digital message board was installed to inform parents and community members about events and important school information. The exterior lighting was replaced with LED to improve visibility and safety at night. All the air filters throughout the campus were upgraded to Merv 13 filters exceeding CDPH recommendations.

In 2018 the Millbrae Elementary School District engaged with School Works to develop a Facilities Master Plan. This plan includes replacing the flooring in all classrooms, and replacing portable buildings with a new modular lab/specialty building.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	75	73	60	61	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

The Millbrae community has traditionally been very supportive of its school system. At Spring Valley, parents actively support the schools in a variety of ways with a large majority attending the Back-to-School Night, Open House, and parent-teacher conferences. Parents volunteer to provide computer and math clubs as well as support our garden/orchard, library and art programs when we are on campus. Parents also participate in the School Site Council, coordinate Heritage Days, the Fall Welcome Event, Variety Show, a musical, bingo night and movie night. As we transition from distance learning to in person learning, Spring Valley is aiming for outdoor events to engage the community. We sponsor parent education activities several times a year. We have a very active PTA that takes responsibility for an extensive student-activities program. Each classroom has a head classroom parent representative to help with field trips, class projects (including Art in Action), and school events. Parent volunteers are an essential part of Spring Valley School. . Our PTA has a point person for volunteerism. Our principal holds a Principal's Coffee Chat each month as an opportunity to keep parents up to date on school initiatives, to answer questions and to keep communication open. A weekly newsletter from the principal and monthly newsletter from the PTA are also published.

2023-24 School Safety Plan

Staff and parent volunteers monitor the school grounds before and after school as well as at all recesses and at lunch time. Teachers continue to regularly review the school rules for safe, responsible behavior in the school and on the playground. When the school campus is open, visitors must sign in at the office, where they receive a volunteer sticker to wear during their stay. Emergency preparedness is a high priority in the Millbrae School District. Each school, in collaboration with the San Mateo Sheriff's Department, has developed and implemented a School Safety Plan that provides emergency response and procedures based on the county-wide Big 5 Protocols. When on campus, the school holds regular fire, earthquake, and other emergency drills. The school's Safety Plan was last revised in August 2023 and the staff were thoughtfully put on safety team in case of an emergency. These teams were reviewed together as a staff in order to understand their specific roles. Parents get monthly reminders of our safety protocols and how to educate their children on them.

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Professional Development

Millbrae School District provides two days during the school year for all teachers to attend professional development. This year, the focus is student wellness and implementing new curriculum. Depending on agreed upon school site bell schedules, students are dismissed early on Wednesdays to allow time for teachers to collaborate and support each other, both within and across department and grade levels. Teachers meet with the principal once a month or as needed. The focus is on student achievement; utilizing common assessments to gear instructional practices. Currently our staff has an emphasis Social Emotional Learning Program, MTSS and implementing the newly adopted Twig Science program. In addition, teachers are planning units in all subject areas that correspond to the California Common Core State Standards and the Next Generation Science Standards. The dates of these professional development are: 8/15, 11/20, and 11/21.

This table displays the number of school days dedicated to staff development and continuous improvement.
