

STUDENT ATTENDANCE AGREEMENT

The Millbrae School District urges parents to make sure their children attend school regularly and to schedule medical and other appointments after school or during school holidays. The district also asks that travel or other absences be avoided during the time school is in session. The higher the district's daily attendance rate, the more a student will learn and the greater the amount of funding that the district will receive from the state for classroom instruction and academic programs. The school calendar is designed to minimize problems for families which plan vacations around traditional holiday periods, and thereby minimize student absences. Following an absence, a student is required to bring a written excuse from home when returning to school. Illnesses, and doctor and dental appointments are considered excused absences. Absences without a written excuse are recorded as unexcused.

Tardiness

Children should be encouraged to be prompt as part of developing good habits. They are expected to be at school on time. If a child is late, the child should bring an excuse from home to the school office. A student will be classified as truant if they are tardy or absent for more than a 30 minute period during the school day without a valid excuse on three occasions in one school year.

Truancy Definitions – EC 48260, 48262 and 48263.6

A student is considered truant after three absences or three tardies of more than 30 minutes each time or any combination thereof and the absences or tardies are unexcused. After a student has been reported as a truant three or more times in a school year and the district has made a conscientious effort to meet with the family, the student is considered a habitual truant. A student who is absent from school without a valid excuse for 10% or more of the schooldays in one school year, from the date of enrollment to the current date, is considered a chronic truant. Unexcused absences are all absences that do not fall within EC 48205.

Arrest of Truants/School Attendance Review Boards – EC 48263 and 48264

The school attendance supervisor, administrator or designee, a peace officer, or probation officer may arrest or assume temporary custody during school hours, of any minor who is found away from his/her home and who is absent from school without valid excuse within the county, city or school district. A student who is an habitual truant may be referred to a School Attendance and Review Board (SARB).

Chronic Absenteeism – EC 60901

A student is considered a chronic absentee when he/she is absent on 10% or more of the school days in one school year, from the date of enrollment to the current date. Chronic absenteeism includes all absences – excused and unexcused – and is an important measure because excessive absences negatively impact academic achievement and student engagement.

Excused Absences EC 46014 and 48205

Pupils, with the written consent of their parents or guardians, may be excused from school in order to participate in religious exercises or to receive moral or religious instruction. No pupil shall have his or her grade reduced or lose academic credit for any excused absence or absences, if missed assignments and tests that can reasonably be provided are satisfactorily completed within a reasonable period of time.

- (a) Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:
- (1) Due to his or her illness.
 - (2) Due to quarantine under the direction of a county or city health officer.
 - (3) For the purpose of having medical, dental, optometric, or chiropractic services rendered.
 - (4) For the purpose of attending the funeral services of a member of his or her immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
 - (5) For the purpose of jury duty in the manner provided for by law.
 - (6) Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent.
 - (7) For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of his or her religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.
 - (8) For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
 - (9) For the purpose of spending time with a member of the pupil's immediate family, who is an active duty member of the uniformed services, as defined in EC § 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
 - (10) For the purpose of attending the pupil's naturalization ceremony to become a United States citizen.
- (b) A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefore. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.
- (c) For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.
- (d) Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.
- (e) "Immediate family," as used in this section, means the parent or guardian, brother or sister, grandparent, or any other relative living in the household of the pupil.

Please help by doing the following:

- Bring your child to school if he/she is not sick.
- Make doctor appointments after school, or as late in the afternoon as possible so that morning attendance is accounted.
- Take family vacations during winter, spring and summer breaks only.
- If your family must be gone during the school year, please contact your Principal regarding an Independent Study Contract.

FORM #2

2020-2021

- Bring your child to school on time so that he/she does not miss the critical beginning of class when directions for the day (or class period) are given.
- Be aware that truancy has serious legal consequences and that we are required to report violations of the compulsory school attendance laws of the State of California.

By making a commitment to all of the above, you will not only ensure that your child will receive the best education possible, but you will be instilling in your child important values that will help him/her become a successful adult, citizen, parent and employee of the future.

Finally, we ask for your continued support with the many other ways that help a child be successful in school: good nutrition and rest, healthy outdoor exercise, quality family time, limiting television, monitoring homework and encouraging productive activities outside of school. Lastly, always know where your children are, who their friends are, and what they are doing when they are away from you. Thank you for helping us to provide the very best educational experience for your child.
